

## NLE - A NETWORK SOLUTIONS COMPANY

### *DID YOU KNOW?*

*SirsiDynix is no longer supporting most third-party networking products? Are you wondering what to do next?*

**NLE offers technical support and consulting plans for all of your network systems!**

#### Features and Benefits:

- Annual, renewable, and “general use” pool-of-hours.
- Augments the existing manufacturer’s support contracts.
- Advanced technical support for products purchased from NLE
- NLE Support Contract can be used for supporting other network projects or products:
  - NLE can support your firewalls, routers, switches, file-servers
  - NLE can go on-site if required (with additional travel costs)
  - NLE can provide training for library staff
  - NLE can help the library develop technology plans
  - NLE sells and supports replacement & new network components
  - NLE can help the library with network performance issues
- Augments the efficiency and skills of the library support staff

#### NLE Support Expertise:

Firewalls, switches, routers, file-servers, network performance tools, packet-analysis, wireless-networks, security audits, content-filtering systems, email systems, back-up systems, network documentation, remote-management, WAN performance, anti-virus, technology transition, desktops.... And More!
